

# Glass Froster

MUG CHILLER

One of the most overlooked features of any Glass Froster is its capacity. Asber's Glass Froster utilizes an **exclusive sliding shelf system** which allows complete utilization throughout the entire unit with no wasted space. Offering operators approximately **20-25% more glass capacity** in the same space. Just another reason Asber is the ideal choice for your Bar applications.

Black vinyl is the preferred finish for Bar Equipment as its more durable and doesn't chip versus a painted finish. Asber's Bar Refrigerators come with a chip resistant black vinyl exterior finish front, sides and back. Interior walls with NSF approved white coated steel finish to enhance its merchantability, easy to clean with a sturdy stainless-steel floor. Always one step above to ensure the upmost in safety and sanitation for your establishment.

Insulation in any Refrigerator is one of the most important factors for thermal efficiency. Asber only uses the **world's leader Ecomate (GWP) (ODP) insulation, 2" thick** for the highest R value efficiency for your environments.

With innovative and eco-friendly technology, Asber utilizes **R-290 Hydrocarbon** designed to meet DOE's Energy Conservation standards with very low contribution to global warming (ODP-0) (GWP-3).

Additional features to include:

- Hermetic compressors with epoxy coated evaporator.
- Automatic evaporator: Paper fins not utilized in the evaporation process.
- Electronic controller.
- Temperature: Refrigerators 0 °F to -7 °F based on an external environment of 90 °F and 65% RH.

## Standard Features

- 2" Ecomate CFC Free foam in place insulation.
- Electronic controller with digital display
- Temperature: Refrigerators 0 °F to -7 °F based on an external environment of 90 °F and 65% RH.
- Self-contained Refrigeration with epoxy coated evaporator.

## Options & Accesories Warranty

- Additional 2nd year warranty.
- 2.5" castors - Set of 4, front 2 with brakes.
- Voltage: 220V. – 1 – 50 hz.
- 6" adjustable stainless-steel legs.
- 1-year parts & labor.
- 5-year compressor.

\*RESIDENTIAL APPLICATIONS: Asber assumes no liability for parts or labor coverage for component failure, factory defect or any other damages for units installed in non-commercial foodservice or residential applications.
